

Defender Series Pro Installation Instructions

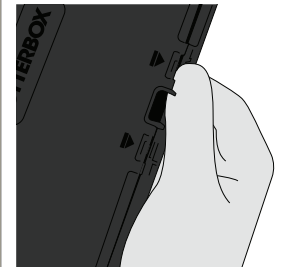

- 1** Release corners and remove shield stand.

- 2** Peel away and remove the outer slipcover.

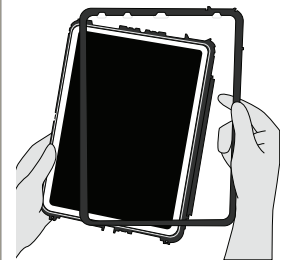

- 3** Separate the shell by locating the indicated arrows and releasing each snap along all four sides.

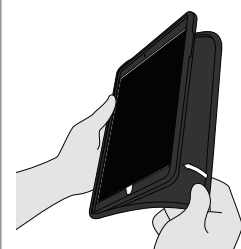

- 4** Place the device into the bottom half of the shell.

- 5** Place the shell top half on the device and snap the two pieces together along all edges.

- 6** Wrap the slipcover around the shell. Ensure silicone slipcover is nested in groove and notches on all sides for a tight, secure fit.
